

cc515 XL work performance

- ▶ **Extra-large ear cap** ensures improved fit and maximum comfort
- ▶ Independent **double-sided headband adjustment** and unique **balanced side-support** for perfect fitting to the head
- ▶ **Ideal for professionals** who need to keep in touch with what is going on around them

ActiveGard™

An active guard for your hearing

The CC 515 is an extremely robust monaural headset with an extra-large ear cap that improves fit and comfort. The perfect headset to maximize work performance.

- ▶ **ActiveGard™** safeguards the user from the effects of an acoustic burst
- ▶ **300° adjustable microphone boom** allows the mic to be positioned exactly for optimal speech clarity.
- ▶ The headband has **unique comfort pads** and a **specially padded, extra-large ear cap**, which distribute pressure and ensure remarkable comfort even during extended wearing time
- ▶ Just like a normal telephone, sound is received through one ear, making usage easy to get accustomed to
- ▶ Ultra Noise Cancelling blocks out a maximum of ambient noise, making your voice easier to understand
